The Cool Questionnaire Section

We want to know a little about you so that we can help you make the most of your time with us. Feel free to fill in as much or as little as you want (heck, you can attach pages and pages of stuff -- whatever you think we should know about you). Knock yourself out!

How long have you been playing and what instrument or instruments?

Have you taken formal lessons, and if so, for how long? What did you like and/or dislike?

Where would you say your musical abilities are?

What areas would you like to make improvements in?

What are your five favorite bands, and why (if you have a specific reason)?

- 1.
- 2.
- 3.
- 4.
- 5.

What are your five favorite songs, and why (again, if you have a reason)?

1.

2.

3.

4.

5.

Who are your three favorite musicians and what do they play (vocals are a musical instrument!), and why (if you know)?

1.

2.

3.

What are your musical dreams?

The Fine Print: There doesn't have to be any "sense" to your answers. In other words, your favorite bands do not have to play your favorite songs, your favorite musicians do not have to be in your favorite bands, and your dream can be as big or as simple as you want -- whatever. Don't sweat it. We're all here to have fun!
